

October 4, 2022

Dear Adopt A Family supporter,

Thank you for your previous support and interest in the Adopt A Family program. Adopt A Family was created to aid families with infants and children up to 18 years of age in providing gifts during the holiday season. In order to qualify, families must reside in Manhattan or surrounding areas and provide proper documentation indicating financial need. We are excited to be partnering with KS Big Brothers Big Sisters for the second year. We invite you to help us share the season by becoming an Adopt A Family donor.

To sign up please complete the 2022 Donor Information Form no later than November 1, 2021. If you choose to become an Adopt A Family donor, you may expect to receive your family match package by November 25th. If you need to receive your match prior to this date, please indicate that when signing up. This year, we have two separate Donor links. One for [corporations/businesses](#) and a second for [private families or groups](#).

Due to COVID-19 and the privacy of our Big Brothers Big Sisters partner, separate gift drop-off and pick-ups will remain similar to our 2021 program. Donors will NOT be able to drop directly to families at this time. If you have any immediate questions or concerns regarding drop off we would encourage you to reach out to us directly at [jlfhadoptafamily@gmail.com](mailto:jlfhadoptafamily@gmail.com).

Your generosity and consideration in becoming an Adopt A Family donor, and providing gifts for those less fortunate, is greatly appreciated. Please note that every effort is made to match donors and families effectively and all information is kept strictly confidential. If you have any questions, please email [jlfhadoptafamily@gmail.com](mailto:jlfhadoptafamily@gmail.com). The women of the Junior League of the Flint Hills are honored to coordinate this program and thank you for helping us share the season.

Best wishes,

Junior League of the Flint Hills

THANKS AGAIN FOR YOUR GENEROSITY - HAPPY HOLIDAYS!
